2016 ELECTION DATES

- April 5, 2016 - Presidential Preference & Spring Election
- Aug. 9, 2016 - Partisan Primary
- Nov. 8, 2016 - General Election

Polls are open 7 a.m. to 8 p.m.

Please remember to register if there is a change of name or address.

At all elections now in Wisconsin, voters must show an acceptable photo ID before a ballot will be provided. Please see prairiedusac.net for additional information.

Refuse Schedule

Monday: Limbs for chipping are limited to 4" in diameter and will be picked up every Monday (April-October) and 1st Monday of every month (Nov-March).

Tuesday: Clean wood (no nails, metals, tar paper or tar shingles attached), pallets, garden and yard waste, weeds, twigs.

Wednesday: Grass clippings and leaves (must be bagged, no sticks in bags, labeled, not exceeding 50 lbs.)

Thursday: Grass clippings and leaves (must be bagged, no sticks in bags, labeled, not exceeding 50 lbs.) and cement.

- Should a holiday fall on Monday, brush will not be picked up that week.
- Items should be put out the night before

the scheduled day.

- Loose leaves and grass clippings will be picked up using the Leaf Vacuum in the Spring from approximately April 1 thru May 31 and in the Fall approximately October 1 thru November 15 (dependent upon the weather). Loose leaves and grass clippings should be placed in the tree bank, **not in the gutter or street**. There are no set days when the Leaf Vacuum will be in your neighborhood. It may take several days for the Leaf Vacuum to make it through the entire Village.
- Snow, rain or emergencies may affect the refuse pick-up schedule.

END OF DISCONNECTION MORATORIUM

April 15th marks the end of Prairie du Sac's moratorium on electric disconnection. This means if your utility bill is one month or more behind you will be getting a notification of disconnection. We are encouraging you to pay your bill in full or contact the Village Hall to setup deferred payment arrangements. If neither step is taken, your utility service could be interrupted. The Wisconsin Home Energy Assistance Program (WHEAP) administers the federally funded Low Income Home Energy Assistance Program (LIHEAP) and Public Benefits Energy Assistance Program. For more information on WHEAP, call 1-866-HEATWIS (432-8947).

FIRE HYDRANT FLUSHING

The Village of Prairie du Sac Water Utility tentatively plans to flush fire hydrants April 18 to May 16, 2016, between the hours of 7:00 a.m. and 3:30 p.m. It may be necessary to adjust these dates due to weather conditions. The process of periodically “flushing” fire hydrants is an important preventative maintenance activity to insure the integrity of the water system and deliver the highest quality water to our customers. The Village flushes hydrants twice a year, usually in the spring and fall. Hydrant flushing serves the following purposes:

- Flushes sediments from mainline pipes, which enhances water quality.
- Verifies the proper operation of fire hydrants and valves.
- Aids in determining weaknesses in the water system.
- Helps to identify closed valves and weak flows in the water main.
- Verifies ample water flow for firefighting.

As a result of hydrant flushing, residents in the immediate vicinity may experience temporary discoloration of their water. This discoloration is harmless, and generally consists of precipitates which do not affect the safety of water consumption. If you notice that your water is discolored, you can clear this issue by running all water faucets inside your home for approximately 15 minutes, or until the water clears. If water does not clear, please contact the Village at 643-4769. It is important you **do not wash laundry during flushing in your neighborhood** or while water is cloudy or discolored. Please wait until water is clear before laundering. The Village does not accept responsibility for clothing reported as soiled or damaged when washed in cloudy or discolored water.
