Dear Cheryl, Jim & Ron:

Section 10.4 of the Intergovernmental Cooperation Agreement states "On or before January 1, 2010, the Parties agree to amend their respective ordinances in order to implement the provisions of this agreement and the recommendations of the Comprehensive Plan, unless the Parties agree in writing to a later date." The Village of Prairie du Sac is currently working on its ordinances to meet the requirements of this Section. However, we will not complete the work by the stated deadline. This deadline was set in place when work began on the Agreement in 2007. At that time, it may have been seen as an obtainable goal. I would recommend to the three governing boards, that the deadline in Section 10.4 be extended to January 1, 2012. This action should be done after the Resolution authorizing the Agreement is adopted by your board. If your boards agree to the extension, signatures will be needed on this letter where indicated.

If you have any questions or would like additional information, please feel free to contact me at 608-643-2421 or e-mail me at awildman@wppienergy.org.

Sincerely,

Village of Prairie du Sac

Alan R. Wildman, II
Village Administrator

As provided by Section 10.4 of the Intergovernmental Cooperation Agreement by and between the Village of Prairie du Sac, the Village of Sauk City, and the Town of Prairie du Sac, the Parties agree to a later date of January 1, 2012, to amend their respective ordinances in order to implement the provisions of the Agreement and the recommendation of the Comprehensive Plan.
