Part II. Application Submittal Requirements

Along with this application, please include a deposit of \$750 to cover Village processing and review expenses. Also, please submit one digital copy in an easily reproducible format (e.g., PDF) of all plans that are required to make a complete application. The Village Administrator may also require hard copies after you provide a digital copy. Except as the Village Administrator may otherwise allow, each complete application must include one or more plan sheets specifying the following information:

- A title block that indicates the name, address, and phone number(s) of the current property owner and/or agent(s) (i.e., developer, architect, engineer, planner) for project.
- The date of the original plan and the latest date of revision to the plan.
- A north arrow and a graphic scale.
- All property lines and existing and proposed right-of-way lines with bearings & dimensions labeled.
- Delineation of floodplains, wetlands, shoreland setback areas, slopes of 12 percent or greater, mature trees, and woodlands (as defined in Section 10-1-0702 of the zoning ordinance), and any other proposed areas of Permanently Protected Green Space, with labels and descriptions.
- All existing and proposed easement lines and dimensions, with a key provided and explained on the margins of the plan as to ownership and purpose.
- All required building setback lines applicable to the zoning district(s), including setbacks from natural resources.
- A grading plan showing existing and proposed grades, including retention walls and related devices.
- An erosion and sediment control plan, where required under the Village's Construction Site Erosion Control and Stormwater Management regulations (Title 10, Chapter 9 of Code) and to the specifications of that Chapter.
- The location of existing and proposed stormwater management facilities and structures, including a stormwater management plan where required under the Village's Construction Site Erosion Control and Stormwater Management regulations (Title 10, Chapter 9 of Code) and to the specifications of that Chapter.
- Proposed land use(s), with projected number of employees, residents, and maximum customer capacity.
- All existing and proposed buildings, structures, and paved areas, including building entrances, walks, drives, decks, patios, fences, walls, utility poles, drainage facilities, and mechanical and utility units.
- Locations and dimensions of all access points onto public streets.
- Locations and dimensions of all on-site parking (and, if applicable, off-site parking), including summary of number of parking stalls provided versus required by zoning ordinance for the land use.
- Locations and dimensions of all loading and service areas on the subject property and labels indicating the dimension of such areas.
- Location of all outdoor storage areas including dumpsters and the height, design, and materials of all screening fences.
- Locations, types, heights, fixture designs, and cut-off angles of all exterior lighting, including a detailed photometric plan showing the distribution of light output across the property to the property lines and

complying with the requirements of Section 10-1-0811 of the zoning ordinance. Depiction of illumination on the photometric plan should be shown rounded to the nearest 0.10 foot candles.

- A detailed landscaping plan at the same scale as the main plan showing the location of all required bufferyard and landscaping areas, complying with the requirements of Section 10-1-0702. The individual locations and species of existing and proposed plants, along with fencing types and heights, berm heights, and landscaping point totals for each required landscaping area is required.
- Elevation drawings, drawn to a recognized architectural scale, of proposed buildings or proposed remodeling of existing buildings to include exterior or roof mechanical equipment and showing finished exterior treatment, with adequate labels provided to clearly depict exterior materials, texture, color, and overall appearance. Each exterior door shall be numbered on the elevations and on the actual building to facilitate subsequent emergency access, based on a numbering scheme available from the Village Administrator or the area's protective service providers.
- Locations, types, heights, sizes and lighting of all existing signage on the subject property, and for proposed signage to the extent practical at the time of application.
- In the site plan map legend, the following additional data for the subject property:
 - Proposed Zoning (or existing zoning if no change proposed)
 - Lot Area
 - Total number and type of residential dwelling units (if applicable)
 - Total Gross Floor Area of buildings
 - Floor Area Ratio
 - Landscape Surface Area and/or the Impervious Surface Area
 - Landscape Surface Ratio and/or the Impervious Surface Ratio
 - Building Heights
- The location of all outdoor areas for daily, seasonal, or longer-term sales, display, and/or collection of merchandise, including but not limited to donation drop-off boxes and vending machines.
- Plans and methods for fire control and suppression, which may include hydrants, sprinklers, alarms, and/or access rooms. Compliance with the Fire Code shall be required.

Part IV. Reimbursement for Development Review Services

The Village Planner, Village Engineer, Public Works Director, Village Attorney, and other Village staff and consultants may expend time in the administration, investigation, and processing of development review applications. In addition, the Village may retain the services of other professional consultants—including but not limited to landscape architects, architects, environmental specialists, and recreation specialists—in the investigation and processing of such applications.

Reinforcing the requirements of Section 10-1-1318(d) of the Village zoning ordinance, the signing and submittal of this application or petition for development review shall be construed as an agreement to pay for professional consulting services associated with the administration, investigation, and processing of this application or petition. The Village Administrator shall retain sole discretion in determining when and to what extent it is necessary to involve one or more professional consultants in the review of each application or petition.

The Applicant shall be responsible for the costs for such professional consulting services. The Applicant shall pay such costs upon receipt of one or more invoices from the Village, following the execution of the development review services associated with the application. In the event the Applicant fails to pay such costs, the responsibility shall pass to the property owner, if different, under the same terms. Development review fees that are assigned to the Applicant or property owner, but that are not actually paid, may then be imposed by the Village as a special charge on the affected property.

Part V. Signatures

By signing and dating below, I/We:

1. Reviewed and understand the Village of Prairie du Sac zoning ordinance and its standards of approval related to this application;
2. Read, understand, and accept my/our responsibilities under the reimbursement section above;
3. Submitted an application that is true, correct, and complete to the best of my/our knowledge;
4. Acknowledge that Village officials and/or employees may, in the performance of their functions, enter upon the subject property to inspect or gather information necessary to process this application;
5. Understand that all meeting dates are tentative and may be postponed by the Village for the reason of incomplete submittals or other administrative reasons;
6. If this application is approved, agree to abide by this application, approved plans, and required conditions associated with plan approval in the development of the subject property; and
7. Understand that the Village’s zoning ordinance and/or the conditions of development approval may specify timeframes within which I/we must take certain actions related to the development of the subject property, or risk having the approval being nullified.
