

CHAPTER 11

Day Care Centers and Nursery Schools

§ 7-11-1 Licensing of Day Care and Nursery Schools

SEC. 7-11-1 LICENSING OF DAY CARE CENTERS AND NURSERY SCHOOLS.

- (a) STATE LICENSE REQUIRED FOR DAY CARE CENTERS. No person shall engage in the business of day care center or nursery school operator within the Village who does not hold a valid day care center operator's license issued by the Wisconsin Department of Health and Social Services.
- (b) CONDITIONAL USE PERMIT REQUIRED.
 - (1) Every facility licensed as a day care center or a nursery school by the State, or intending to operate within the Village corporate limits shall apply for a Conditional Use Permit pursuant to Title 10, Article D of the Village Zoning Code.
 - (2) The Conditional Use Permit shall be in addition to the State license and shall be granted to each operator upon review and approval by the Plan Commission. No Conditional Use Permit shall be granted unless the operator of the premises has provided proof of valid license issued by the State of Wisconsin for the operation of intended business.
